**\*\*\*IMPORTANT HEALTH INFORMATION FOR INCOMING  
FRESHMAN - REQUIREMENTS FOR 9<sup>TH</sup> GRADE SCHOOL PHYSICALS:**

- **A 9<sup>th</sup> grade physical and immunization record must be completed and turned into the health office at school by May 29, 2021, or PRIOR TO the first day of school on August 11, 2021.** A copy of the State of Illinois Child Wellness Exam form is attached as is a list of area low-cost clinics that you can call for further information about school physical and immunization costs. **If you choose to take your child to a local pharmacy for their school physical, you MUST bring a copy of their immunization records with you to that visit for their review.**
- If your child completed a school physical, including immunization records, during 8th grade (**sports physicals cannot be accepted for entry into 9th grade**) and the exam is dated August 12, 2020 or after, please get a copy from the Junior High School and provide it to us. This will meet the criteria for entry into 9th grade.
- **In order for a school physical to be considered fully complete it must contain all of the following: On the front side: fully completed immunization section with the signature of the medical provider and the date of the exam. On the back side of the form: The health history at the top (parent section) must have all questions answered along with a parent/guardian signature and date. The medical provider must complete the Diabetic Screening and vitals (including blood pressure), height, weight and BMI of the child along with the "review of systems" section and indicate if the child is cleared for PE and sports at the bottom. The provider must include their signature, date of exam and their medical clinic stamp otherwise the physical is considered invalid.**
- If you are turning in the Child Wellness Exam Form in person during the summer, please go to Door 1 (Front Entrance) at Elk Grove High School and turn it into Student Services or the Main Office. Alternatively, you can fax it to me directly at the fax number listed below, scan it to me directly via email in PDF format (**photographs of state-required health documents cannot be accepted**) or you can mail it to me via U.S. Mail. The Main Office and Student Services Office are both open all summer - Monday through Thursday from 7:00 a.m. to 4:00 p.m.
- **District 214 Board of Education enforces a first day exclusion policy. If the school physical is not received or fully completed by the first day of school, your child will not receive their schedule and may be excluded from starting school until it is received by the school health office. Students may also be sent home from school on the first day if we do not have a complete 9th grade physical on file by that date. Their attendance will be marked truant for missing school due to incomplete medical records.**
- Please consult with your child's medical provider regarding required vaccines. We have also attached a recommended immunization schedule as indicated by the Illinois Department of Public Health.
- **\*\*CLASS SCHEDULES WILL NOT BE ISSUED TO A STUDENT OR PARENTS/GUARDIANS UNTIL THE HEALTH OFFICE AT SCHOOL REVIEWS AND APPROVES THE 9TH GRADE PHYSICAL AND IMMUNIZATIONS.**
- **Please contact me if your child has a health condition about which I need to be aware.**

Please feel free to contact me with any questions you may have and thank you for your cooperation.

**\*\*\* INFORMACIÓN DE SALUD IMPORTANTE PARA estudiantes de 9 grado - REQUISITOS PARA  
ÉL FÍSICOS ESCOLAR DEL 9o GRADO:**

- **Debe completar un registro del físico y vacunas para estudiantes de noveno grado y entregarlo en la oficina de salud de la escuela antes del 29 de mayo de 2021 o ANTES del primer día de clases el 11 de agosto de 2021.** Junto a esta carta le enviamos una copia del formulario del Examen de bienestar infantil del estado de Illinois y una lista de las clínicas a bajo costo del área a las que puede llamar para obtener más información sobre los precios de las vacunas y los exámenes físicos escolares. **Si decide llevar a su hijo a una farmacia local para el examen físico de la escuela, DEBE traer una copia de su registro de vacunas a la visita para que la revisen e incluyan en el formulario.**
- Si su hijo completó un examen físico escolar, incluidos los registros de vacunación durante el octavo grado y el examen está fechado el 12 de agosto de 2020 o después, obtenga una copia de la escuela anterior y mandelos a la oficina de salud de EGHS. Esto cumplirá con los criterios para ingresar al noveno grado. **\*\* (no se aceptan exámenes físicos deportivos para ingresar al noveno grado)**
- **Para que un examen físico escolar se considere completo, debe contener todo lo siguiente en la página frontal:** sección de vacunas completo con la firma del proveedor médico y la fecha del examen. **En el reverso del formulario:** El historial médico en la parte superior (sección para padres) debe responder a todas las preguntas, firma y la fecha del padre / tutor. El proveedor médico debe completar el examen de detección de diabetes y los signos vitales (incluida la presión arterial), la altura, el peso y el IMC del niño junto con la sección de "revisión de sistemas" e indicar si el niño está autorizado a participar en educación física y deportes en la parte inferior. El proveedor debe incluir su firma, fecha de examen y el sello de su clínica médica, de lo contrario, el examen físico se considerará inválido.
- Si va a entregar el Formulario del Examen de Bienestar Infantil en persona durante el verano, vaya a la Puerta #1 (Entrada principal) en Elk Grove High School y entréguese a la oficina de Servicios Estudiantiles o la Oficina Principal. Alternativamente, puede enviarlo por fax al número que se indica a continuación, o puede escanearlo y enviarlo por correo electrónico en formato PDF **(no se pueden aceptar fotografías de documentos de salud requeridos por el estado)** o puede enviarme por correo postal por correo de EE. UU. La oficina principal y la oficina de servicios para estudiantes están abiertas todo el verano, de lunes a jueves de 7:00 a.m. a 4:00 p.m.
- **La Junta de Educación del Distrito 214 hace cumplir una política de exclusión del primer día. Si el examen físico de la escuela no se recibe o no está completo el primer día de clases, su hijo no recibirá su horario y puede ser excluido de comenzar la escuela hasta que lo reciba la oficina de salud. Los estudiantes pueden ser enviados de regreso a casa el primer día de escuela si no tenemos un examen físico completo en el archivo para esa fecha. Su asistencia será marcada como ausente por faltar a la escuela debido a registros médicos incompletos.**
- Consulte con el proveedor médico de su hijo sobre las vacunas requeridas. También hemos incluido un calendario de vacunación recomendado según lo indicado por el Departamento de Salud Pública de Illinois.
- **\*\* LOS HORARIOS DE CLASES NO SERÁN EMITIDOS A UN ESTUDIANTE O PADRES / TUTORES HASTA QUE LA OFICINA DE SALUD DE LA ESCUELA REVISE Y APRUEBE EL FÍSICO E INMUNIZACIONES de 9º.**
- Por favor comuníquese conmigo si su hijo tiene una condición de salud sobre la cual debe estar al tanto.

No dude en ponerse en contacto conmigo con cualquier pregunta que pueda tener y gracias por su cooperación.
