*Le Grand Concours*

*The National French Contest  
of the American Association  
of Teachers of French*

## **EGHS Students Receive High Achieving Results on the 2021 National French Contest – Le Grand Concours**

Seven EGHS Students, enrolled in French classes taught by Kirsten Fletcher and Effie Kalkounos, have earned national medals and honorable mentions in the 86<sup>th</sup> annual National French Contest, according to **Lisa Narug**, National Director of *Le Grand Concours*. *Le Grand Concours* is a national competition sponsored by the *American Association of Teachers of French (AATF)*. Students were evaluated for their grammar, reading and listening comprehension skills in French. Nearly 30,000 students in all 50 states competed in the 2021 event.

We congratulate those students who ranked nationally in *Le Grand Concours*. They have shown a superior level of French language skills, cultural competence, and commitment to French. We hope these students will continue their interest in French and pursue study and travel opportunities as future ambassadors of the French language and the many cultures it represents.

### **CONGRATULATIONS TO THESE EGHS STUDENTS FOR THEIR OUTSTANDING ACHIEVEMENT**

#### **Bronze Medal**

1. Marina Mitrinovic (Level 5A)

#### **Honorable Mention**

1. Nerelyn Alvarado (Level 3A)
2. Nicole Cetnar (Level 3A)
3. Dominica Ptak (Level 4A)
4. Morgan Sanaghan (Level 4A)
5. Megan Shafar (Level 4A)
6. Natalie Wlodarz (Level 5A)

# From the School Nurse.....Morgan Vogel

Dear Elk Grove High School Students and Families:

My name is Morgan Vogel and I am the Certified School Nurse for Elk Grove High School. I am very proud and excited to be part of, and serve, the EGHS community. If there is anything that I can do to assist you or your student, or if you have any questions, please do not hesitate to contact me at 847-718-4473. If you need to fax any forms or paperwork to me, please fax these items to the Health Office at 847-718-4562. I have listed some reminders below regarding important Health Services guidelines.

## **UPDATING PHONE NUMBERS:**

Please remember to call the attendance office to report any phone number changes. It is very important that we have updated and accurate information in case of an emergency. Students that need to go home due to illness or injury will not be excused without permission from a parent/guardian or emergency contact.

## **ILL/INJURED STUDENTS:**

**Important Reminder** - Keeping students who are ill in the health office for long periods of time poses a health risk to other students and staff members who may need to utilize the health office during the school day. For this reason, we kindly ask that you please have at least one person listed as an emergency contact who is available during the day to pick up your child within a reasonable amount of time should it become necessary. Additionally, keeping students in the health office for long periods of time who are injured may pose a health risk to the injured student as they may be exposed to illnesses from other students and staff members utilizing the health office. For this reason, we again ask that you please have at least one person listed as an emergency contact who is available during the day to pick up your child within a reasonable amount of time should it become necessary. We greatly appreciate your understanding and cooperation.

## **VISITS TO THE NURSE:**

Any students coming to the nurse must have a pass from their current class. If it is a passing period, the student needs to get a pass from the class they will be starting. The only exceptions are when a situation is emergent (bleeding, feeling lightheaded, etc.) or during lunch. It is the nurse's discretion whether to allow a student to rest in the health office during a class period. Many things are considered (reason for request, grades, attendance, previous visits to the nurse, etc.). One of our goals of the health office is to treat the student comprehensively, but expediently, so that we reduce the time they are out of the classroom while facilitating their ability to function optimally and be ready to learn.

## **MEDICATION GUIDELINES:**

The responsibility for administering student medication rests solely with the parents, or guardian, therefore a schedule should be arranged so that all medication is taken at home under parental supervision and not during school hours whenever possible. In exceptional cases, when medication must be taken during the school day, the regulations from the Illinois Department of Public Health, "Guidelines for Management of Medication in the Schools" will be implemented by the Certified School Nurse as follows:

## **Procedures:**

1. The school nurse is to be informed of students who are receiving medication for long-term medical conditions.
2. Whenever possible, medication should be self-administered under the supervision of the school nurse or an administrator.
3. Medication is to be brought to the school in a container which has been appropriately labeled by a pharmacy or a medical provider.
4. When medication must be administered at school, the parent or guardian must provide to the school nurse a District 214 medication request form authorizing the administration of the prescribed medication. This form is available at the school health services office or for download on the district or individual school web site ([www.d214.org](http://www.d214.org) or [eghs.d214.org](http://eghs.d214.org), click on Parents, Health Services and then Forms). Yearly renewal is required.
5. Tylenol or Acetaminophen can now be administered with parental permission using the on-line registration form.
6. The school nurse and/or the principal may, at their discretion, reject a request for administration of a medication. It is understood that the school district provides this service in the interest of the well-being of students and as an accommodation to parents.

***Developed by:*** District 214 Advisory Committee as mandated by state law (P.A. 86-1441). The members of this committee are representatives of District 214 administrators, school nurses, teacher-trainers, community physicians, nurses and parents.

## **ASTHMA INHALER/EPI PEN POLICY: Asthma Inhaler/Epi-Pen Policy**

In accordance with 105ILCS 5/22-30 and District 214 Medication Policy, students may carry and self-administer asthma medication or their prescribed Epi-Pen at school. An Asthma Inhaler/Epi-Pen Request form needs to be completed yearly and must be signed by the student's medical provider. This form can also be obtained in the school health office or on the school or district website. Each student should carry his/her inhaler/Epi-Pen in its original pharmacy labeled container with the student's name, the drug name and exact dosage as well as the indication or time in which the medication should be taken. As with any medication, neither inhalers nor Epi-Pens should be shared with other students.

## Township High School District 214 Assessments 2021-2022

District 214 administers assessments to its students to provide them, their parents, and high school staff with performance information. The information is used for:

- Placement in appropriate courses
- Identifying the need for additional instruction
- Monitoring student growth
- Determining the extent to which students are meeting district and state standards
- Providing information to enrich the curriculum and instruction
- Providing information for making post-secondary educational and vocational decisions

District 214 is committed to:

- Providing frequent, purposeful, appropriate, and fair assessments accompanied by timely feedback
- Helping students and parents make good use of assessment data in the decision making processes
- Helping staff understand and effectively utilize assessment data

Township High School District 214 coordinates district-wide assessment programs for high school students.

1. **State of Illinois Assessment Program** that complies with the requirements of the State Board of Education.
2. **College-Bound Assessments** aid students in making decisions with regards to their college plans. These are assessments such as the National ACT and SAT where students register for the test online.

This pamphlet describes the assessments, Student Population, date and place for each assessment. Current fees shown for optional tests are subject to change.

### Testing Accommodations

If your student requires accommodations for testing under an IEP or 504 plan and will register for one of the optional assessments, please contact the counselor or case manager in your school at the beginning of the school year to learn how to apply for accommodations for the specific tests.

### State of Illinois Assessment Program

**PSAT 8/9 and PSAT 10** are assessments in the College Board's SAT Suite of Assessments. The PSAT 8/9 and PSAT 10 are guidance resources that help students measure their current academic development, explore AP course options, and assess readiness for college and career options. The assessments include Reading, Writing and Language, and Math. The PSAT 8/9 and PSAT 10 will help prepare students for the SAT

assessment taken during their junior year and are state required assessments.

#### **PSAT 8/9**

Locations: BG, EG, JH, P, RM, W, Newcomer Center, TAFV, Vanguard and YAP.

## Lunch Information

### **Meal Assistance (Formerly Free & Reduced Lunch Program)**

We will be using the Meal Benefits Program application on the parent portal of Infinite Campus. *These benefits DO NOT “roll over” from your elementary school and need to be applied for each school year.* The form will be available in early August.

Once approved, a letter will be sent home. Cafeteria staff can help navigate which lines to use, as not all food in the cafeteria is covered on the meal assistance plan.

For Questions about the Infinite Campus Parent Portal, please contact the EGHS Technology Helpdesk at 847-718-4444.

### **Lunch Money**

Money can be deposited online into your student’s account. Visit the EGHS website under Parent Resources: Food and Nutrition Services: Online Food Service Pre-pay. There are also hard copies of this form in the school cafeteria, and you can attach a check. Money will then be placed on your child’s ID Card.

### **Menus**

Lunch menus can be found on the District 214 website: <https://www.d214.org/>  
Click on Departments, then Food And Nutrition Services.

### **Lost ID Cards**

ID cards are required to enter the school, get onto the bus, used as a library card, and in the cafeteria. There is a fee for lost ID cards. Students can obtain cards in the attendance office.

## CONTROVERSIAL ISSUES IN THE CLASSROOM

Township High School District 214's primary mission is to enable all students to learn the skills, acquire the knowledge, and develop the behaviors necessary for them to reach their full potential as citizens who can meet the challenges of a changing society. In a democracy that openly confronts acute and pressing political, social, economic, and moral problems, it is likely that such issues will be evident in classrooms. Discussions about these issues provide students with the type of learning experience that will help prepare them to meet the challenges of a global changing society.

District 214 provides its parents/guardians an opportunity to grant or refuse permission for their son or daughter to participate in a class activity or to request an alternative assignment when study materials are deemed controversial. Parents/guardians with concerns regarding controversial issues, materials, and curricula should contact the school's principal/designee. The administration has established guidelines, procedures, and safeguards for an unbiased, impartial handling of controversial issues in the classroom.

## DISTRICT 214 HAS AN APP!

Want on-the-go information from District 214? There's an app for that! The District has officially launched a **free** iPhone and Android supported app that gives you mobile-friendly access to District 214 news and school information. Among other features, the new app offers a password-activated Contact Manager feature that lets parents, students and staff **opt in to receive text messages** in the case of closings or school emergency situations.

To set up the text service, visit [www.d214.org/cm.pdf](http://www.d214.org/cm.pdf). You'll need your student's school ID# and one of the phone numbers on record in order to opt in. The app also features easy access to District 214's growing social media presence through clickable links to official Twitter, Flickr and Facebook feeds; maps; links to the Board of Education and employee contact pages of District 214's website; and links to all District 214 school and alternative program pages. The goal is to provide even better communication through the use of innovative technology – already a staple in our classrooms. This new app allows us to meet you where you're at and deliver relevant information as it's needed. The District 214 app is available for free download through Google Play and iTunes by searching for High School District 214.

## ACCESS TO THE SCHOOL ELEVATOR

If your son or daughter needs the temporary use of an elevator card due to a medical condition, the card can be obtained from the school nurse, Ms. Yamate. If the card is lost or not returned, there will be a \$25 fine. Abuse of the elevator will result in consequences. If you have any questions, the nurse can be reached at 847-718-4473 or at [morgan.vogel@d214.org](mailto:morgan.vogel@d214.org).

# HARPER COLLEGE PROMISE SCHOLARSHIP

A SCHOLARSHIP OFFERED TO EVERY ELIGIBLE PUBLIC HIGH SCHOOL STUDENT IN THE HARPER COLLEGE DISTRICT THAT WOULD FUND UP TO TWO YEARS OF COLLEGE.

What if we could promise every public high school student in the northwest suburbs **an associate degree tuition free if they're willing to earn it?** Think of the possibilities for students, parents and our local workforce. An associate degree. Tuition free.

Under the Harper College Promise Scholarship Program every eligible incoming public high school student in Harper's district can earn an associate degree\* at Harper College if they maintain solid grades, have good attendance, don't repeat classes, graduate on time and provide service to their community.

\*Students can earn up to 60 credits of tuition inclusive of dual credit, AP credit and other prior credits earned. As of 2021, more than \$2.1 million in scholarship tuition has been administered to Promise students.

Promise scholars Meha Patel, Arij Ahmed, and Madelyn Kuffel at a Harper Foundation Event.

Jobs requiring an **associate degree or higher** are expected to grow at a faster rate than those requiring less than a degree.

Source: Bureau of Labor Statistics

**“Our communities** are going to thrive (with the help of the Promise Program). We're going to attract good jobs, we're going to attract businesses. I appreciate the collective commitment to what this is going to do to strengthen the entire region. It's a really big deal long term.”

—Arne Duncan  
former U.S. Secretary of Education

During their Freshman year of high school **34,357 students** have made the initial commitment to their Promise Scholarship.

Source: Harper Promise data as of January 2021

# A PROMISE THAT PAYS FORWARD.

## HOW IT WORKS

The criteria for the Harper College Promise Scholarship were developed by Harper College, area public high schools and northwest suburban business leaders to promote life skills and habits that will help students succeed in college and provide businesses with smart, skilled and motivated employees. The Promise Scholarship Program enables participating students to attend Harper without having to pay tuition<sup>†</sup> while they earn career certifications and associate degrees. However, signing up for the Promise program does not commit a student to go to Harper. So there's no reason not to sign up!

### IN HIGH SCHOOL

The Program starts in the second semester of a student's freshman year in high school. If the student meets attendance, rigor, quality, persistence and community service requirements, the student can earn up to two years tuition at Harper College.

#### ATTENDANCE

Students may only be absent:

2nd semester of freshman year	5 days or less
Sophomore year	9 days or less
Junior year	8 days or less
Senior year	7 days or less

(3 tardies equal an absence)

#### RIGOR/QUALITY

Graduate college-ready.

Minimum annual grade point average (unweighted):

2nd semester of freshman year	2.0
Sophomore year	2.25
Junior year	2.25*
Senior year	2.3*

*\*No semester grades of D or F*

#### PERSISTENCE

- ✓ Meet minimum credit standards at the end of each year.
- ✓ Graduate on time with their class.

#### COMMUNITY SERVICE

Number of hours per year:

2nd semester of freshman year	5
Sophomore year	10
Junior year	15
Senior year	20

### AT HARPER COLLEGE

A high school student who meets the Program's requirements will earn the first semester of Harper tuition free. The student can continue to attend Harper College tuition-free, semester by semester, for up to four semesters (for a total of 60 credit hours inclusive of dual credit, AP credit or prior college credits earned before enrolling at Harper.)<sup>†</sup>, if the student meets the following criteria.

#### RIGOR/QUALITY

Minimum grade point average:

1st semester	2.2
2nd semester	2.3
3rd semester	2.5
4th semester	2.5

*No grades of D or F or withdrawal*

#### PERSISTENCE

- ✓ A student must attend full-time each semester. (minimum 15 credit hours)
- ✓ A student must attend each consecutive semester (fall/spring) until their certificate or degree is completed—up to four semesters.
- ✓ Summer session tuition is not included in the program.

#### COMMUNITY SERVICE

Service requirements must be performed through a Harper-related program.

Number of hours per semester:

1st semester	10
2nd semester	10
3rd semester	10
4th semester	10

Dear Parent/Guardian,

**Immunization Requirement for the 2021-2022 School Year:**

For the 2021-2022 school year, **all students entering 12th grade shall show proof of having received two doses of MENINGOCOCCAL CONJUGATE VACCINE (Menactra, Menveo, MCV4) prior to starting school.** The first dose should have been administered on or after their 11<sup>th</sup> birthday and the second dose on or after their 16th birthday. An interval of at least eight weeks between the first and second dose is required. **Only one dose of the vaccine is required if the first dose is administered when the child is 16 years of age or older. You do not have to wait until your child is going into 12th grade to get the 2nd dose of meningococcal conjugate vaccine - once your child turns 16 years-old they are eligible to receive it.**

Your child may have already received both doses of the required Meningococcal Conjugate Vaccine, however we may not have received proof that they were given. Please check with your child’s medical provider to determine if they received the two Meningococcal Conjugate Vaccines and, if they were given, please ask that they complete all information indicated below, including their signature and office stamp. **If your child has not received both doses, you are required to get this vaccination for your child or your child will be subject to exclusion as described in the school code of Illinois.**

**Your child will not be able to receive their class schedule or attend school in August until all immunizations are up to date.**

Please submit this completed form or an updated immunization record to the Health Office at Elk Grove High School as soon as possible.

Sincerely,

Estimado Padre/Guardian

**Requisitos de Vacunación para el año escolar 2021-2022:**

Para el año escolar 2021-2022, **todos los estudiantes que ingresen al 12 ° grado deberán mostrar prueba de haber recibido dos dosis de la VACUNA CONJUGADA MENINGOCOCCAL (Menactra, Menveo, MCV4) antes de comenzar la escuela.** La primera dosis debería haberse administrado en o después de su cumpleaños número 11 y la segunda dosis en o después de su cumpleaños número 16. Se requiere un intervalo de al menos ocho semanas entre la primera y la segunda dosis. **Solo se requiere una dosis de la vacuna si la primera dosis se administra cuando el niño tiene 16 años o más. No tiene que esperar hasta que su hijo ingrese al grado 12 para recibir la segunda dosis de la vacuna conjugada contra el meningococo; una vez que cumpla los 16 años, es elegible para recibirla.**

Es posible que su hijo ya haya recibido las dos dosis de la vacuna conjugada meningocócica requerida, sin embargo, es posible que no hayamos recibido pruebas de que se le dieron. Consulte con el proveedor médico de su hijo para determinar si recibieron las dos vacunas conjugadas contra el meningococo y, si se las dieron, solicite que completen toda la información indicada a continuación, incluida su firma y el sello de la oficina. **Si su hijo no ha recibido ambas dosis, se le exige que se vacune para su hijo o su hijo estará sujeto a exclusión según se describe en el código escolar de Illinois.**

**Su hijo no podrá recibir su horario de clases o asistir a la escuela en agosto hasta que todas las vacunas estén actualizadas.**

Envíe este formulario completo o un registro de vacunación actualizado a la Oficina de Salud de la Escuela Secundaria Elk Grove lo antes posible.

Atentamente,

Sincerely,

# **D 214 PARENT INFORMATION**

## **ASBESTOS HAZARD EMERGENCY RESPONSE ACT:**

In accordance with the Asbestos Hazard Emergency Act (AHERA) and the Illinois Asbestos Abatement Act (105 ILCS 105/), you are being notified that all District 214 facilities contain various amounts and types of asbestos-containing building materials (ACBM). These materials do not pose any hazard to individuals unless the materials are disturbed.

The District maintains compliance with all applicable governmental and regulatory asbestos rules and regulations. The District also maintains compliance with the Illinois Department of Public Health (IDPH) and Cook County Department of Public Health (CCDPH) guidelines for operations and maintenance activities. The District routinely performs operations and maintenance activities, required inspections, and surveillance activities to verify that the materials are being managed according to IDPH and CCDPH guidelines.

The Building and Grounds Department of each individual facility and the District Operations Department have copies of the AHERA Management Plans that describe the locations of all ACBM. These plans are available for inspection during regular business hours. Contact the Director of Operations for more information at 847-718-7619.

## **PESTICIDE APPLICATION NOTIFICATION REGISTRY:**

All District 214 facilities practice Integrated Pest Management to minimize the use of any pesticides on school grounds. The Structural Pest Control Act (225 ILCS 235/) and the Lawn Care Products Application and Notice Act (415 ILCS 65/) requires public schools to notify parents/guardians and school employees at least 48 hours (two business days) prior to any pesticide applications on school grounds. The term "pesticide" includes insecticides, herbicides, rodenticides, and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from the notification requirement are antimicrobials such as disinfectants, sanitizers or deodorizers, insecticide baits and rodenticide baits.

Dear Parent/Guardian and Staff Members:

In 1999 the Illinois General Assembly passed laws requiring that public schools notify parents/guardians and school employees at least 48 hours prior to any pesticide applications on school property. For those who wish to be notified, the term “pesticide” includes insecticides, herbicides, rodenticides, and fungicides. The notification requirement extends to both indoor and outdoor pesticide applications. Excluded from the notification requirement are antimicrobial agents (such as disinfectants, sanitizers, or deodorizers), insecticide baits, and rodenticide baits.

Elk Grove High School has therefore established a registry of people who wish to be notified. To be included in this registry for school year 2021-22, please complete the form below and submit it to the Building and Grounds Supervisor at your school. Any other questions you may have regarding the District’s pest management practices may also be directed to the District 214 Director of Operations at 847-718-7619.

## **INFORMATION REGARDING “EVERY STUDENT SUCCEEDS” AND ELK GROVE HIGH SCHOOL**

The Elementary and Secondary Education Act (also known as the Every Student Succeeds Act or ESSA) is a federal law meant to ensure that all school children, whatever their economic background, can achieve high academic standards. Because of this law, Elk Grove High School receives funding from the federal government in the form of Title I and Title II-A grants. The Title I grant is awarded to the school based on the number of low-income students enrolled. This grant supports programs for children who are at risk of failing. The Title II-A grant helps pay for teacher training and professional development. Title grant funding covers part of the cost of programs at Elk Grove such as supplementary tutoring, field trips to college campuses, summer reading books, Collegepalooza, Estudiantes Unidos, and parent outreach.

ESSA also says that parents have a right to know about the professional qualifications of their children’s classroom teachers. You can ask for information about teachers’ licensing and academic degrees. You also have the right to know whether your child is being provided services by paraprofessionals and what their qualifications are. We are pleased to report all teachers in District 214 are highly qualified, as defined by the Illinois State Board of Education. Highly qualified teachers have a bachelor’s degree or higher and a state teaching license. In addition, for each core subject area of teaching responsibility, all teachers have either passed a content-area test or completed a college degree in that subject. All paraprofessionals are endorsed by the state as paraprofessional educators, having completed at least 60 semester hours of college credit or the equivalent. If this situation ever changes, you will be notified promptly.

Elk Grove High School and District 214 encourage you to become involved in your child’s education, as outlined in the accompanying School-Parent Compact. You are invited to attend the annual Title I meeting and parent-teacher conferences, and you are also encouraged to join groups such as the Parent Teacher Council and Padres Unidos. A schedule of parent activities is published in the quarterly newsletter and on the school website. It is district policy that parents, staff and students share the responsibility for improved academic achievement.

Thank you and please enjoy the upcoming school year.

## **INFORMACIÓN SOBRE “CADA ESTUDIANTE TRIUNFA” Y ELK GROVE HIGH SCHOOL**

La Ley de Educación Primaria y Secundaria (también conocida como Cada Estudiante Triunfa o ESSA, por sus siglas en inglés) es una legislación que intenta asegurar que todos los estudiantes, sin importar sus situaciones económicas, puedan alcanzar altos estándares académicos. Gracias a esta ley, Elk Grove High School recibe fondos del gobierno federal en la forma de subvenciones llamadas Título I y Título II-A. La subvención Título I se otorga a la escuela basándose en el número de estudiantes con bajos recursos. Esta subvención apoya programas para niños en riesgo de reprobar. La subvención Título II-A ayuda a pagar por el entrenamiento y desarrollo profesional de maestros. Estas subvenciones federales cubren parte del costo de los programas en Elk Grove, tales como la tutoría suplementaria, excursiones a recintos universitarios, libros para lectura veraniega, el evento Collegepalooza, Estudiantes Unidos, y reuniones de enlace familiar.

ESSA también dice que los padres tienen derecho a saber acerca de las cualificaciones profesionales de los maestros de sus hijos. Usted puede pedir información sobre las cualificaciones de los maestros de su hijo/a, incluso sus licencias y títulos universitarios. Usted también tiene el derecho de saber si su hijo/a está recibiendo servicios de un asistente y cuales son sus cualificaciones. Nos da gusto informarle que todos los maestros en el Distrito 214 están altamente cualificados, según la definición de la Junta Educativa del Estado de Illinois. Los maestros altamente cualificados tienen al menos una licenciatura (bachelor's degree) y una licencia estatal de enseñanza. Además, para cada asignatura principal que el maestro enseña, él/ella ha pasado un examen estatal o ha completado un título universitario en esa materia. Todos los asistentes del Distrito 214 son aprobados por el estado como educadores paraprofesionales, con al menos 60 horas de estudio universitario o el equivalente. Si esta situación cambia, usted será notificado lo más pronto posible.

Elk Grove High School y el Distrito 214 les recomiendan que se involucren en la educación de su hijo/a, así como se describe en el Pacto adjunto. Se le invita a asistir a la reunión anual de Título I y a las conferencias individuales con sus maestros, y también se le alienta a unirse a grupos como Padres Unidos y el Parent Teacher Council. Un calendario de actividades para padres se publica en el boletín y en el sitio Web de la escuela. Es la norma del distrito que los padres, el personal y los alumnos compartan la responsabilidad de mejorar los logros académicos.

Gracias y que disfruten el próximo año escolar.

## Don't Underestimate Your Influence

According to the National Center for Addiction and Substance Use, "A child who gets to age 21 without smoking, abusing alcohol or using illegal drugs is almost certain never to do so." Additionally, "one in four of Americans who began using any addictive substance before the age of 18 struggle with addiction, as opposed to one in twenty-five who used for the first time after age twenty-one" (National Center for Addiction and Substance Use).

**A primary goal of teen substance use prevention is to put off first time use!**

Often, we think our teens are not listening to us, but most teens report their families as one of the strongest influences when it comes time to making big decisions.

Parents and caregivers have a powerful impact when it comes to both access and desire to use substances.

**You also influence our community!**

Parents have an essential voice in our local coalition, the Communities for Positive Youth Development (CPYD). If you want to get involved or learn more about CPYD, please visit [cpydcoalition.org](http://cpydcoalition.org) or email Dawn Mass at [dawnm@kennethyoung.org](mailto:dawnm@kennethyoung.org).

## No Subestime Su Influencia

Según el Centro Nacional para la Adicción y el Uso de Sustancias, "Un niño que llega a los 21 años sin fumar, abusar del alcohol o usar drogas ilegales es casi seguro que nunca lo hará". Además, "uno de cada cuatro estadounidenses que comenzaron a usar cualquier sustancia adictiva antes de los 18 años de edad lucha con la adicción, en contraposición a uno de cada veinticinco que utilizó por primera vez después de los 21 años de edad"(el Centro Nacional para la Adicción y el Uso de Sustancias).

**¡Un objetivo principal de la prevención del consumo de sustancias en adolescentes es posponer el uso por primera vez!**

A menudo, pensamos que nuestros adolescentes no nos están escuchando, pero la mayoría de los adolescentes informan que sus familias son una de las influencias más fuertes cuando llega el momento de tomar grandes decisiones.

**Los padres y cuidadores tienen un impacto poderoso cuando se trata tanto del acceso como del deseo de usar sustancias.**

**¡Usted también influye en nuestra comunidad!**

Los padres tienen una voz esencial en nuestra coalición local, las Comunidades para el Desarrollo Positivo de la Juventud (CPYD).

**Si desea participar u obtener más información sobre el CPYD, por favor visite [cpydcoalition.org](http://cpydcoalition.org) o envíe un correo electrónico a Marian Lopez ([marianl@kennethyoung.org](mailto:marianl@kennethyoung.org)).**

## Foursomes, Sponsorships Available for Annual Golf Open

Tee off for a cause at the annual Foundation for the Future Golf Open, scheduled for Monday, September 13 at the private Rolling Green Country Club in Arlington Heights. The event will feature 18 holes, on-course food pre-packaged by culinary students from District 214 schools, on-course contests, a robust raffle and an evening reception with entertainment from District 214 student musicians. Foursomes are available, and sponsorships also are available at various levels, allowing local businesses or families to support the event in a prominent way. This event is expected to sell out.

All proceeds directly benefit the District 214 Education Foundation, a 501(c)3 supporting innovation, student success and lifelong learning in all District 214 schools beyond the limitations of conventional public funding for education. Throughout the pandemic, the Foundation specifically provided basic needs funding to more than 400 families; handed out more than

\$90,000 in scholarships for postsecondary education; continued its support of first-generation college students; and more. To register or sponsor, visit <http://www.214foundation.org/>

## Students Amass \$90,000 in Scholarship Awards

The District 214 Education Foundation in the spring distributed approximately \$90,000 in postsecondary scholarships to more than 70 graduating seniors from all District schools.

Among the highlights were the Redefining Ready! Awards, which required applicants to create 30-second videos showing why they are college, career and life ready beyond a test score. Students did so in various ways, including through songs and video animation showing off their activities, achievements outside the classroom, early college credit opportunities and more.

Additionally, the groundbreaking Blueprint Bosch Vocational Scholarship was handed out for the third consecutive year. That scholarship covers, in full in most cases, the cost of a career training certificate in areas like welding, HVAC, plumbing, machining, automotive technology and carpentry. Scholarships are funded by individuals, businesses and organizations.

The Bosch Community Fund, through a unique partnership with the Foundation, provided an initial \$45,000 for the scholarship, or \$15,000 a year to help fund students' futures.

Scholarship applications for the upcoming school year will open in late December or early January, and students once again will be able to apply for most of them through a one-stop online portal that, based on their answers to screening questions, provides them a list of the scholarships for which they're qualified and allows them to apply directly online.

### **Foundation offers numerous opportunities for funding:**

The District 214 Foundation provides a variety of opportunities for funding the future. Donors can make one-time or recurring gifts using the website, <http://www.214foundation.org/> or consider sponsoring families through the 214Cares program -- which focuses on basic needs for the District's highest-need families -- or adopting students or funding field trips through the Next Generation Pathway to Completion program, for first-generation college students.

Additionally, the Foundation provides opportunities for naming spaces, including classrooms, in honor of family members or businesses, and also has a Legacy Society for those wishing to make donations through the form of wills and bequests. Scholarships or funds, which provide money for specific causes or students, also are a common way to provide life-changing help.

To discuss opportunities, contact [foundation@d214.org](mailto:foundation@d214.org).
