## **District 214 Update Regarding COVID-19**

Please see information below regarding changes to grading policies and learning opportunities due to the COVID-19 pandemic. The information about our learning situation was last updated as of September 8, 2020. Please feel free to reach out with any questions or if you would like more up-to-date information.

### **Spring 2020 Changes**

Due to COVID-19, District 214 adopted a policy to ensure that no student's grade becomes negatively impacted as a result of circumstances out of their control. All schools in District 214 offered opportunities for students to only enhance their academic grade as of March 16, 2020. Rather than F grades, students were given the opportunity to audit (AU) or take a grade of an incomplete (I) except in the case of Dual Credit courses.

### **Fall 2020 Changes**

District 214 students are currently working remotely to start the school year with the plan to bring in pods of students gradually. Please see the [District 214 Return to School Plan](#) for updated details. Many students did not have the opportunity to take a standardized test during their junior year. As of September 8, 2020, students in the class of 2021 were given the opportunity to sign up for a SAT exam to be administered on September 23, 2020 or October 27, 2020 or to wait for an exam to be delivered in the spring of 2021.
