

## ROLLING MEADOWS HIGH SCHOOL

### Second Semester 2021-22 Examination Schedule

Second semester examinations will be held on **Wednesday, Thursday, and Friday, May 25, 26, and 27**, with an eight-period day on **Tuesday, May 24** as a review day. Attendance will be taken as these are regular school days (Seniors last day is May 18). The expectation is that students attend all academic blocks during the finals schedule. The D214 Calendar Committee designed this examination schedule to balance the work and stress of final examinations for students.

If students are not present for the exam they will either receive a zero or be given an incomplete (in extenuating circumstances) and will take the exams during summer break (graded in August when teachers return). For testing integrity reasons, we ask that parents and students refrain from asking teachers to give finals earlier than the scheduled final times.

If students want to take advantage of the [Mustang Hub](#) (for tutoring) or take the shuttle home during their study hall block, that is acceptable.
