Asmus, Janine	Please identify (by employee name and work email address) each and every District employee who is certified as a school librarian (meaning they have the school library licensure and/or endorsement in library media) and who is currently working in that capacity in your District's library/libraries/media centers this academic school year. Please note that a "certified school librarian" may also be called a "District Librarian," "certified media specialist," or an "information specialist." This request is NOT seeking parent volunteers or support staff members who are non-certified and working in a school library.	10/2/2023	10/4/2023	10/19/2023

If it is not feasible to identify only administrative staff rather than all individuals with a D214.org e-mail, then it is OK to provide e-mails for the latter group.	9/20/2023	9/27/23-extension sent, 10/4/23	10/19/2023
