COVID-19 UPDATES

District 214 Update Regarding COVID-19

Please see information below regarding changes to grading policies and learning opportunities due to the COVID-19 pandemic. During the 2021-22 school year, all students attended school in-person, with no option for remote learning. Please feel free to reach out with any questions or if you would like more up-to-date information.

Spring 2020 Changes

Due to COVID-19, District 214 adopted a policy to ensure that no student's grade becomes negatively impacted as a result of circumstances out of their control. All schools in District 214 offered opportunities for students to only enhance their academic grade as of March 16, 2020. Rather than F grades, students were given the opportunity to audit (AU) or take a grade of an incomplete (I) except in the case of Dual Credit courses.

2020-2021 School Year Changes

District 214 students worked remotely to start the school year with the plan to bring in pods of students gradually. While we mainly operated on a hybrid model, there were periods of full remote learning throughout the school year as positivity rates changed. As of April 5, 2021, all students were welcomed back. Families were able to submit a request for a medical or household exemption and all classes were taught in a way that students could join online or in person. In-person attendance varied due to quarantine policies and student choice.

Teachers were given the option to award grades of A, B, C, D, F or P, AU, NC for all classes, including those required for graduation. P, AU and NC grades are not factored into GPAs.
