ATTENDANCE AND TRUANCY - Policy 7:70

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school) or (b) who is enrolled in any of grades, kindergarten through 12, in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because their religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student), observance of a religious holiday, death in the immediate family, family emergency, attendance at a civic event, other situations beyond the control of the student as determined by the Board, voting pursuant to Policy 7:90, Release During School Hours (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/ guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Superintendent or designee. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and Board of Education policy.

ADOPTED: January 2024

Local community ordinances enforced by judges imposing fines also require school attendance for students 17 years old and under (P.A. 093-0858 as of January 1, 2005). Therefore the Board of Education authorizes the administration in each building to enforce procedures that ensure regular student attendance and accurate accounting

for student absences. If a student has been truant in one of our schools or programs, the parent(s)/guardian(s) will be contacted by the attendance office, teachers, or counselors. Class cutting is defined as any absence without the approval of the parent/guardian.
