SCHOOL FEES

Township High School District 214 uses an On-Line Registration and Fee Payment Process. Parent(s)/guardian(s) must register their student(s) and pay fees, and/or apply for a fee waiver at their respective home school main office, including all students attending alternative schools or programs outside the district. If parent(s)/guardian(s) do not have access to a computer, or prefer to pay using cash, check, or money order, they must go to the home school main office to complete the registration and payment process. In addition, parent(s)/guardian(s) of students attending alternative schools or programs outside the district must register and pay fees at the home school main office.
