World Language (2-3 years)

Fine Arts (1-2 years)

See your counselor regarding admission requirements for highly selective institutions.

Honors, Advance Placement and Dual Credit courses are offered throughout the curriculum. Please consult with your high school counselor for the latest information regarding course offerings, scheduling and registration for all career pathways and courses.

\*This represents the number of units of credit required at full implementation for the graduating class of 2012 and beyond (12 units, assuming a unit is equivalent to a year-long course). Additionally, physical education, while not a state graduation requirement is a required course for all students a minimum of 3-5 days a week in each of four years of high school (See ILCS 110,5/27-6 and 23 Ill.Adm. Code Section 1.425).

Aviation Academy

Aviation Academy is a unique program developed by District 214 to meet the strong demand for highly qualified aviation professionals and numerous regional opportunities for careers in the aviation industry. The program, which is held at Chicago Executive Airport in Wheeling, recruits District students interested in pursuing a career in aviation and ensures they are highly qualified for aviation positions.

As part of their participation in District 214's Aviation Pathway, students receive a sequence of aviation-specific courses, dual credit opportunities and external internship experiences. The District partners with Lewis University to offer dual credit courses that allow students to earn both high school and college credit and begin their pathway to certification and a future career in the aviation industry.

Students can achieve certifications in 12 to 18 months and earn an average starting salary of \$60,000.
