COVID19-update

Please see information below regarding changes to grading policies and learning opportunities due to the COVID-19 pandemic. The information about our learning situation was last updated as of August 19th. Please feel free to reach out with any questions or if you would like more up-to-date information.

Spring 2020 Changes

Due to COVID-19, D214 adopted a policy to ensure that no student's grade becomes negatively impacted as a result of circumstances out of their control. All schools in D214 offered opportunities for students to **only enhance their academic grade** as of March 16, 2020. Rather than F grades, students are given the opportunity to audit (AU) or take a grade of an incomplete (I) except in the case of Dual Credit courses.

Fall 2020 Changes

District 214 students are currently working remotely to start the school year with the plan to bring in pods of students gradually. Please see the [District 214 Return to School Plan](#) for updated details.

As of August 19, the state-wide SAT exam has been postponed. Many students did not have the opportunity to take a standardized test during their junior year. The district has hopes to provide students with a test opportunity in late September, however with ever changing health regulations it is not guaranteed.
