

## ROLLING MEADOWS HIGH SCHOOL First Semester 2023-24 Examination Schedule

First-semester examinations will be held on **Wednesday, December 20th, Thursday, December 21st, and Friday, December 22nd**. Attendance will be taken, as these are regular school days. The expectation is that students attend all academic blocks during the finals schedule. The D214 Calendar Committee designed this examination schedule to balance the work and stress of final examinations for students.

If students are not present for their exams, they will receive a zero. In extenuating circumstances, like hospitalization, students will be given an incomplete and will have the option to take the exams in January after the break. For testing integrity reasons, we ask that parents and students refrain from asking teachers to give finals earlier than the scheduled final times.
